DIGITALISE YOUR MEETINGS & BOARDS

with eGovernance

Has organising your formal meetings become a hassle?

Interested in digitalising the process with a quick and simple solution?

Want to have an easy tool to better support your client in their governance?

Spreds is offering you the opportunity to use its **new innovative module: “eGovernance”** to ease the organisation of your formal meetings (shareholders', board, executive committees, ...).

With more than **200 clients and 43,000 users**, Spreds has established itself as a **leader of the Belgian digital governance landscape for SME's**.

The features

By subscribing to one of our plans (see below for more detailed information), you will get access to the **following features**:

For who?

Nonprofits, SMEs, corporate lawyers, fiduciaries, family offices, etc.

Compliance

We make sure your meeting is compliant with the Belgian legislation

Flexibility

Manage and answer special requests from members but with the legal assurance that everything is logged

Voting

Easily record and count the votes of the participants, live or by proxy.

Security

Store all the documents related to the meeting on the secure platform, with controlled access for the participants.

Auditing

A full audit log to avoid any legal issues (records every action made by every administrator or participant)

Results

Visualise the results and download the full minutes of your meeting.

Choose your plan
