MANAGE YOUR SHAREHOLDERS

with ePooling

You are about to close a fundraising round but feel that you will end up with too many investors to manage? Are multiple financing rounds starting to affect the time you spend managing your investors?

Spreds is offering you the opportunity to use its **digital investor management module: “ePooling”** to help you focus on what’s important: your business.

With more than **200 legal entities**, **€20,000,000 of assets under management** and over **43,000 users**, Spreds has established itself as a leader in the digital management of stakeholders.

The features

By subscribing to one of our plans (see below for more detailed information), you will get access to the **following features**:

Pooling

Gather all your investors, per round, in a dedicated Spreds Finance compartment

Secured compartments

All compartments are bankruptcy-remote

Tax transparency

The compartments are tax transparent for the investors

General Meetings

We organise the general meetings of your investors for all important decisions

Preferential right

Management and organisation of preferential rights

Digital communication

Easily communicate with all your investors by notifying only one shareholder (Spreds Finance)

Choose your plan

Whether you need to **manage 1 or 10 compartments with 10 or 2,000 investors (shareholders, lenders)** or whether you want to **pool your employees** through a dedicated compartment, there is a plan for you.

1st compartment

Preferential right and digital meetings management

Set up fee : from €2,500 to €10,000 depending on amount raised (see our [eFundraising brochure](#) for more info)

€1,500/year
per compartment

Next compartments

Preferential right and digital meetings management

Set up fee : from €2,500 to €10,000 depending on amount raised (see our [eFundraising brochure](#) for more info)

Cumulative discount*
of €100 per extra compartment

* Example: 4 compartments: €1,500 + €1,400 + €1,300 + €1,200 = €5,400 per year.
Minimum amount per compartment: €500.
